Dear Gilmore Families,

Newsletters in this format will be one of the main sources of communication that you can expect to receive from the Gilmore office once again this year.

#### MyEd Parent Portal:

As with every new system, there are always glitches. I know that there are some families that aren't able to access their child(ren)'s reports. Some of the issues are simple and require you to reset your password, however most of the issues are beyond the school level. Our SD38 tech department handles these issues as they are beyond our control. If you are not seeing your child's name linked to your account or if you see your child's name in your acct but cannot see the report, please email [myedparentportal@sd38.bc.ca](mailto:myedparentportal@sd38.bc.ca) as this is the best way to resolve MyEd Parent Portal inquiries. Please include the details of what you can see or can't see in your email so that they can look into it asap.

#### Responsible Technology Use:

Grade 5/6 and 6/7 Teacher's and I spoke with students today about the responsible use of technology, especially in terms of communication and privacy as a way to continue to educate students about safe, respectful use of technology. I have attached the SD38 Responsible Tech Use Document that we used as a guide for our conversation.

#### PAC Hot Lunch:

A reminder that Information about Hot Lunch orders from January to March has been sent out to you via email. You can also access orders through MunchaLunch via the Gilmore School website. Orders are due by January 11th, 2023.

#### Affordability Fund Reminder:

A reminder that the Provincial Government announced a new, one time Student and Family Affordability Fund. This fund is designed to assist families who require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. Please reach out to Mr. Shuto if you could benefit from this fund. Thank you. As always, we thank you for your support and are enjoying teaching, learning with, and supporting our Gilmore students this year.

Sincerely,

Trevor Shuto and the Gilmore Staff

## Early Warning Line

A reminder to families that if your child(ren) will be away to let us know by calling the Early Warning line at **604-668-6637** and stating child's first and last name as well as grade and teacher. This helps us every morning to ensure that we have all of our students accounted for. Thank you for your support with this.
