KidSport is a national not-for-profit organization that provides financial assistance for registration fees to kids aged 18 and under. Through a confidential application process we provide grants so they can play a season of sport.

KidSport was created in 1993 by the board and staff at Sport BC. From a modest start in that first year, KidSport has grown exponentially across the country and has become a truly national entity with 11 provincial/territorial chapters and over 180 community based chapters.

KidSport BC has continued to grow since its first year, issuing \$35,000 in grants in 1993 to \$1.95 Million in 2017. Over the last 5 years, KidSport has seen ample growth both with dollars distributed and number of kids helped.

So ALL Kids Can Play!
