Dear Gilmore Families,

Newsletters in this format will be one of the main sources of communication that you can expect to receive from the Gilmore office once again this year. Welcome to Gilmore!

- Late For School / Absent:** Thank you to families for calling the early warning line 604-668-6637 if your child will be absent from school. This reduces the amount of calls that we have to make every morning when we haven't heard from you. Also, thank you to families who are lining up and signing in at the office if you are late in the morning, this helps us to ensure that everyone is accounted for.
- PAC Meeting:** Our next in-person PAC meeting will take place on January 22nd at 6:00 in the Gilmore Library.
- Learning Updates:** Reports and ELL Reports are live on MyEd Parent Portal. If you are a parent of an ELL student you will also see your child's ELL progress report in the MyEd Parent Portal when you login. This is new this year. Please save a copy of the PDF of any reports that you see so that you can access them for your future reference. Please do this before January 19th, 2025 as that is when access expires. Please also ensure that you can access / have updated your password so you can continue to have access.
- Spirit Wear Orders:** were all sent home with children this week on Thursday. You should have received your order by now. Sorry for the delay in shipping and thank you to the Gilmore PAC for organizing this for our school community!
- Affordability Fund Reminder -** The Student and Family Affordability Fund is still in place if you require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. Please reach out to Mr. Shuto if you could benefit from this fund.
- Feeding Futures -** The provincial government announced a new Feeding Futures School Program Fund, designed to help with nutritional supports for students. We are working closely with a District Staff Member and we want to ensure families are aware to reach out to Mr. Shuto if you require support. Requests will be treated with dignity and your privacy will be respected.

As always, we thank you for your support and look forward to teaching, learning with, and supporting our Gilmore students this year!

Sincerely, Trevor Shuto and the Gilmore Staff

Gilmore's School Story

We continue to work with our school language at Gilmore to continue to build expectations of behaviour and a culture of care. The students are gaining a better understanding of what this means and how they can demonstrate this at school. CARE FOR SELF, CARE FOR OTHERS, CARE FOR PLACE. You can help by discussing the language with your children at home as well.

Thank you for your support, it is much appreciated!

Window Into Learning

What are you learning about? Why is it important?

"I am learning how to write in French with new words. This will help us learn French and get better at writing"

School District / Gilmore Code of Conduct

This Code of Conduct is used at Gilmore and around the District to help remind all of us of the expectations in all School District Buildings as well as when participating in all School District events.
