Dear Griffin Families,

What a great week at the school! We had our Meet the Teacher and the Magic Max Show yesterday, followed by our Terry Fox Assembly and School Run today. Both were great school community building activities and the School Spirit was amazing! And we can't forget a huge thank you to the Parent Volunteers who provided Pizza and Beverages for us all, much appreciated!

Several years ago the students and staff developed our Griffin Circle of Care (see the watermark on this page) that reminds us to take care of ourselves, each other and the places where we are. This month teachers and students have been making new commitments or recommitting to caring in each of the three areas. Take a few minutes and chat with your child(ren) about the commitments they have made. Personally, I am committing to care for myself by getting enough sleep to be at my best, to listen carefully and make eye contact with people who speak with me, and to clean up floating debris when I am out on my Stand Up Paddle Board. Our commitment to our commitments gets stronger when we share them!

Please remember that teachers are in the school on Monday, but student are not in session. The staff will be working on Literacy based learning as we look to strengthen the reading proficiency of students from K-7 in both English and French.

Our first PAC Hot Lunch is a week Monday and orders are due, please see the flyer below for further information.

Be safe, be active and get outside!
