Our School Story

We revisited our scanning data through collaborative dialogue. Check our our **new action post** to see what one small action we can take and how we will know it's making a difference in student learning.

Next steps: Make purposeful observations to gather evidence on how our "one small action" is helping students communicate their thinking and connections

HOW GILMORE STAFF SPENT PRO-D DAY....

Kevin Lamoureux presented about generosity, belonging, mastery, & independence. We reflected on our learning: how do we create environments that foster generosity, belonging, mastery, & independence?

Reflecting, connecting, re-imagining our way forward together: "I am because we are" - about how we work together to make a difference in creating brave spaces for belonging.
