Our School Story

We revisited our scanning data through collaborative dialogue. Check our our **new action post** to see what one small action we can take and how we will know it's making a difference in student learning.

Next steps: Make purposeful observations to gather evidence on how our "one small action" is helping students communicate their thinking and connections

Captured Moments

Here is what happened this week, told through the eyes of our Gr. 6/7 **learning detectives**. Students in Div. 1 took time to capture learning moments throughout the week. How might we include all student voices?

What are you learning right now?

"I'm making a clay pawn sculpture for my ancient civilization chess project." - A, Div 1

What about this interests you? Why does it matter?

"It interests me because I get to learn a new civilization. It matters because it's important to know the history of other countries in the world."

What are you learning right now?

"I'm doing an art project for Mother's Day." - A, Div 3

What about this interests you? Why does it matter?

"I think it's fun because it's art. It's important to think and recognize what your mom does for you."

What are you learning right now?

"I'm doing an art project for Mother's Day." - C, Div 1

What about this interests you? Why does it matter?

"I like all the patterns you can draw on it. It matters to me because it's important to appreciate your mother for all the things she does."

What are you learning right now?

"We're playing ultimate frisbee. We're becoming more accurate with our aim and practicing by playing games." - W, Div 1

What about this interests you? Why does it matter?

"It's fun because we get to play with our friends and use strategy. It's important to find something you enjoy that can keep you fit and healthy."

THANK YOU GILMORE PAC!

Thank you to Gilmore PAC for sponsoring the Elevate Ultimate Frisbee experience this week. Students and staff all enjoyed learning new skills and playing the game together

Kind reminders to please complete the Daily Health Check

Daily Health Check

Everyone going into a school or site must complete a daily health check, including staff, students, and visitors. A daily health check means checking yourself or your child for new symptoms of illness, including symptoms of COVID-19.

Symptoms of illness (including COVID-19) include:

- Fever or chills
- Difficulty breathing
- Runny nose
- Headache
- Body aches
- Cough
- Sore throat
- Sneezing
- Loss of sense of smell or taste
- Loss of appetite
- Extreme fatigue or tiredness
- Nausea or vomiting
- Diarrhea

If you are sick or feel unwell, stay at home. This is important to stop the spread of illness, including COVID-19, in schools and worksites.

You can attend school/work if:

- Your symptoms are consistent with a previously diagnosed health condition (e.g., seasonal allergies), OR
- You have existing symptoms that have improved to where you feel well enough to return to regular activities, AND
- You are not required to self-isolate, or your self-isolation period is over (based on a positive COVID-19 test result, if taken).

Most up-to-date Daily Health Check can be found [HERE](#)

Helpful COVID-19 Flow Chart is [HERE](#)

Mask wearing is now a matter of personal choice and is no longer mandatory in our schools. Everyone's choice is supported and will continue to be respected.

Happy wishes to

Dress for the weather!

As we are getting closer to Spring, it might be helpful to bring:

rain coat

rain boots

2-3 sets of extra clothes
(including socks)

DONATIONS NEEDED FOR OUR MUD KITCHEN

If there are used kitchen items that are no longer needed, please bring them to the school for students to use in the mud kitchen.
