Our School Story

We revisited our scanning data through collaborative dialogue. Check out our [new action post](#) to see what one small action we can take and how we will know it's making a difference in student learning.

Next steps: Make purposeful observations to gather evidence on how our "one small action" is helping students communicate their thinking and connections

WHAT A BUSY WEEK AT GILMORE!

Take a look at what happened this week...

Our grade 6 and 7 students had a field trip to the UBC Ropes Course where they got to engage in challenging tasks on high ropes and problem solving activities where they gained new perspectives, worked on teamwork & collaboration, and found courage to try something new! Way to go!

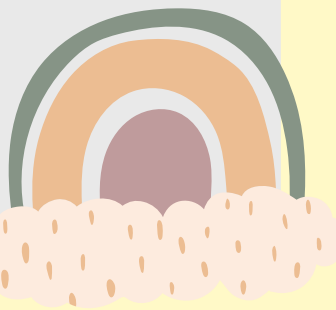

A big thank you to our PAC for helping sponsor this field trip!

Rain or Shine.....
We had an eventful Sports Day!
Thank you to our staff and
parents for your all your help.

Thank you to all families who joined us at our Welcome to Kindergarten event! We can't wait to see our newest Gilmore Griffins learners in a few months! Big thank you to the Gr 6 leaders for helping our new friends feel welcome & safe!
