Dear Gilmore Families,

Newsletters in this format will be one of the main sources of communication that you can expect to receive from the Gilmore office once again this year.

Hope everyone had a nice weekend. At Gilmore we are working hard supporting all of our students in being kind, safe, and respectful. There continues to be many positive examples of this daily from our Gilmore students. We are also working on safe play and peaceful problem solving when at school. This means that we are keeping our hands to ourselves and using kind words. If you could pass along that we are proud of them and a reminder of playing in a way that is safe and using kind words that would be helpful as we work together to support our Gilmore students. We are proud of all of our Gilmore students as they all continue on their learning journey. Thank you.
