Affordability Fund Reminder:

A reminder that the Provincial Government announced a new, one time Student and Family Affordability Fund. This fund is designed to assist families who require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. Please reach out to Mr. Shuto if you could benefit from this fund. Thank you. As always, we thank you for your support and are enjoying teaching, learning with, and supporting our Gilmore students this year.

Sincerely,
Trevor Shuto and the Gilmore Staff

Our School Story:

At Gilmore we “Care for Self, Care for Others and Care for Place!”

Staff at Gilmore have been working towards generating “common language” that will be meaningful and helpful to support our students and create common expectations while we are together during the school days. This language will help to anchor our school decisions as well as conversations that we have daily. “Care for Self, Care for Others, and Care for Place” will be introduced to our students as our common language over the next few weeks and will become weaved through all that we do at Gilmore. It is always helpful for home and school to be on the same page, so if you can begin to use this language at home in your conversations it will help to begin to evolve an understanding of what this language means to all of us as individuals as we spend our days together.

Thank you for your ongoing support!

Buddha Board

Many children have asked me about the “Buddha Board” that I have in my office so I thought that I would share with everyone. It is a fun artistic activity where you can paint on the board with water and then as the water dries, it disappears. This also serves as a calming technique when children are upset, frustrated, or sad. Wanted to pass along as this is an extremely helpful tool and fun activity.

Family Teams - We Are All Connected

At Gilmore, we have 32 “Family Teams” which each consist of students from Grade K-7. Throughout the year, we meet to help build community and for kids to work together with other staff and students from all grades and classes. Our focus last time we met was how we are all connected. Students each made themselves and drew a Country, Nation, or Cultural flag that represented their and their family. It is great to see how diverse a population we are and realize how much we can learn from each other. We are so proud!
