

## Our School Story:

### At Gilmore we “Care for Self, Care for Others and Care for Place!”

Staff at Gilmore have been working towards generating “common language” that will be meaningful and helpful to support our students and create common expectations while we are together during the school days. This language will help to anchor our school decisions as well as conversations that we have daily. “Care for Self, Care for Others, and Care for Place” will be introduced to our students as our common language over the next few weeks and will become weaved through all that we do at Gilmore. It is always helpful for home and school to be on the same page, so if you can begin to use this language at home in your conversations it will help to begin to evolve an understanding of what this language means to all of us as individuals as we spend our days together. Thank you for your ongoing support!
