

## Our School Story: Family Teams - We Are All Connected

At Gilmore, we have 32 “Family Teams” which each consist of students from Grade K-7. Throughout the year, we meet to help build community and for kids to work together with other staff and students from all grades and classes. Our focus last time we met was how we are all connected. Students each made themselves and drew a Country, Nation, or Cultural flag that represented them and their family. It is great to see how diverse a population we are and realize how much we can learn from each other. We are so proud!
