Dear Gilmore Families,

Newsletters in this format will be one of the main sources of communication that you can expect to receive from the Gilmore office once again this year.

- Skating Notice** - A school wide skating trip is planned for December 22nd. The two skating times are 9:15-10:15 and 10:30-11:30. You will be receiving a notice to sign and return to the school on Monday with more specific details and times. Thank you to the Gilmore PAC for covering the cost of this school wide event!
- Kindergarten Registration** - Registration for Kindergarten for next year is underway, please see reminder attached to this email for further information.
- Learning Update - Reports** - Will be going live on MyEd Parent Portal on Thursday December 21st at 3:00pm. Please double check that you can access your account so that you will have access to your child(ren)'s report. If you are having trouble with your password, please click "forgot my password".
- Winter Concert** - is on Wednesday December 20th. There will be a dress rehearsal, open to parents at 1:00 and a night Concert at 6:00.
- Affordability Fund Reminder** - The Student and Family Affordability Fund is still in place if you require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. Please reach out to Mr. Shuto if you could benefit from this fund.
- Feeding Futures** - The provincial government announced a new Feeding Futures School Program Fund, designed to help with nutritional supports for students. We are working closely with a District Staff Member and we want to ensure families are aware to reach out to Mr. Shuto if you require support. Requests will be treated with dignity and your privacy will be respected.

As always, we thank you for your support and look forward to teaching, learning with, and supporting our Gilmore students this year!

Sincerely,
Trevor Shuto and the Gilmore Staff.

Gilmore's School Story

We are working with our school language at Gilmore to continue to build expectations of behaviour and a culture of care. On Thursday we had an assembly to talk about our school wide language of CARE FOR SELF, OTHERS AND PLACE. The students are gaining a better understanding of what this means and how they can demonstrate this at school. We also had a family teams activity today where kids are put into teams of K-7 to participate together. The focus of the activities today was CARE FOR SELF. You can help by discussing the language with your children at home as well. Thank you for your support, it is much appreciated!

Do you recognize this bike?

This bicycle has been locked up to our bench at Gilmore out back near the playground for a couple of weeks. If this is your bike, please don't forget to take it home. If you recognize this bike or know anything about why it has been left here, please let us know. Thank you, as we would like to ensure that this bike gets back to its owner.

Gilmore's Return-It Account

Gilmore has a "Return It" account at the Blundell Return It Location to help raise money to subsidize our Grade 6 trip to camp this year.

The Phone number associated with the account is 604-668-6268. Please use clear bags with no pull strings when returning bottles.
