Please reach out to Mr. Shuto if you could benefit from this fund.
- 6. Feeding Futures** - The provincial government announced a new Feeding Futures School Program Fund, designed to help with nutritional supports for students. We are working closely with a District Staff Member and we want to ensure families are aware to reach out to Mr. Shuto if you require support. Requests will be treated with dignity and your privacy will be respected.

As always, we thank you for your support and look forward to teaching, learning with, and supporting our Gilmore students this year!

Sincerely,
Trevor Shuto and the Gilmore Staff.

Gilmore's School Story

We are working with our school language at Gilmore to continue to build expectations of behaviour and a culture of care. On Thursday we had an assembly to talk about our school wide language of CARE FOR SELF, OTHERS AND PLACE. The students are gaining a better understanding of what this means and how they can demonstrate this at school. We also had a family teams activity today where kids are put into teams of K-7 to participate together. The focus of the activities today was CARE FOR SELF. You can help by discussing the language with your children at home as well. Thank you for your support, it is much appreciated!

Driving Around the School

A reminder to drive with caution in our neighbourhood. Please drive slowly as there are children and adults walking near the school, please follow the street signs for stopping, parking, and speed. Please do not park on crosswalks and drive with extreme caution in the parking lots. Thank you for doing your part to keep our Gilmore Community safe!

Gilmore's Return-It Account

Gilmore has a "Return It" account at the Blundell Return It Location to help raise money to subsidize our Grade 6 trip to camp this year. The Phone number associated with the account is 604-668-6268. Please use clear bags with no pull strings when returning bottles.
