Dear Griffin Families,

Happy Friday to everyone! We had a great week around the school with the HUB Cycling program wrapping up, Volleyball Season kicking off for Grade 6/7s and our Great Shake Out, Earthquake practice yesterday.

Looking ahead, please make note of the two 1:45p dismissals on Tuesday and Thursday coming up. Teachers have a full schedule of conferences with every family and it is very important that children are picked up on time. As a parent I always looked forward to the opportunity to hear about the learning experiences directly from my children's teachers. I think it is a great way for children to see that their parents and teachers are working together to support them and care. In most cases this will be the first time the student/parent/teacher team has been in the same space. I hope it is a celebration of the early successes and an opportunity to set some meaningful goals for the next few months.

I hope we will see a good crowd for the Community Movie Night on Thursday, see the flyer below for all the details, no tickets required!

Friday is the annual Provincial Professional Development Day for all school staff. Each of us will be connecting with colleagues from across the Province in learning conferences and workshops around every topic in education. We are fortunate to have this extremely valuable opportunity for adult learning to guide better learning for students.

Be safe, be active and get outside!

Go Griffins,

Mr. Ferguson, Principal
