Gilmore's School Story

We continue to work with our school language at Gilmore to continue to build expectations of behaviour and a culture of care. The students are gaining a better understanding of what this means and how they can demonstrate this at school. CARE FOR SELF, CARE FOR OTHERS, CARE FOR PLACE. You can help by discussing the language with your children at home as well.

Thank you for your support, it is much appreciated!

Window Into Learning

What are you learning about? Why is it important?

“When we are having fun and playing in the snow, we can show our creativity, teamwork, and social skills. It is an opportunity to bond and share joyful moments with friends. The snow brings opportunities of joy, excitement, and connections in ways that are different than normal. The snow helps create memories with our friends!”

School District / Gilmore Code of Conduct

This Code of Conduct is used at Gilmore and around the District to help remind all of us of the expectations in all School District Buildings as well as when participating in all School District events.

Gilmore's Return-It Account

Gilmore has a "Return It" account at the Blundell Return It Location to help raise money to subsidize our Grade 6 trip to camp this year. The Phone number associated with the account is 604-668-6268. Please use clear bags with no pull strings when returning containers. Please don't crush / flatten containers. Please only put a max of 12 glass bottles in each bag. Please remove garbage from bags before returning. Thank you for your support!
