Dear Gilmore Families,

Newsletters in this format will be one of the main sources of communication that you can expect to receive from the Gilmore office once again this year. Welcome to Gilmore!

- 1. Personal Digital Devices Policy (Watches)** - include watches that can record or take pictures. Please remind your child(ren) to keep those devices at home as they are beginning to cause problems with privacy and kids recording or taking pictures of others without permission. Thank you for your cooperation with this.
- 2. School District Strategic Plan Survey** - Please see below for a survey to help shape our District's future together. You would have received this directly from the District already via email. Just wanted to remind you of it.
- 3. PAC Pedal Heads Fundraiser:** For \$25 off ALL PedalHeads Camps and Programs please use promo code: RICHGIL25. Each time the code is used, Gilmore PAC will get \$25. Code expires June 30th but can be used for programs/camps in July and August (you just need to register before June 30th). Please see the flyer below for more information. Email gilmorepacsd38@gmail.com with any questions.
- 4. Affordability Fund Reminder** - The Student and Family Affordability Fund is still in place if you require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. Please reach out to Mr. Shuto if you could benefit from this fund.
- 5. Feeding Futures** - The provincial government announced a new Feeding Futures School Program Fund, designed to help with nutritional supports for students. We are working closely with a District Staff Member and we want to ensure families are aware to reach out to Mr. Shuto if you require support. Requests will be treated with dignity and your privacy will be respected.

As always, we thank you for your support and look forward to teaching, learning with, and supporting our Gilmore students this year!

Sincerely, Trevor Shuto and the Gilmore Staff

Gilmore's School Story

We continue to work with our school language at Gilmore to continue to build expectations of behaviour and a culture of care. The students are gaining a better understanding of what this means and how they can demonstrate this at school. CARE FOR SELF, CARE FOR OTHERS, CARE FOR PLACE. You can help by discussing the language with your children at home as well.

Thank you for your support, it is much appreciated!

Window Into Learning

What are you learning about? Why is it important?

“When we are having fun and playing in the snow, we can show our creativity, teamwork, and social skills. It is an opportunity to bond and share joyful moments with friends. The snow brings opportunities of joy, excitement, and connections in ways that are different than normal. The snow helps create memories with our friends!”

School District / Gilmore Code of Conduct

This Code of Conduct is used at Gilmore and around the District to help remind all of us of the expectations in all School District Buildings as well as when participating in all School District events.

The poster has a blue header with the text 'DISTRICT CODE OF CONDUCT'. Below the header, the title 'HOW WE LEARN AND WORK TOGETHER' is written in large, bold, multi-colored letters. Underneath the title, there is a paragraph: 'The Board of Educator recognizes its obligation to provide all members of our school district community with a positive climate and a safe, healthy environment.' Below this, a line reads 'As we learn and work together, we will...'. There are six numbered items in a 2x3 grid:

- 1 Show respect for the diversity of the members of our school and district community.
- 2 Behave in a safe, considerate and courteous manner.
- 3 Not threaten, harass, intimidate or assault, in any way, any person within our school district community, through physical violence, print or electronic media.
- 4 Not be in possession of weapons, dangerous articles, alcohol or illegal drugs while in school or work.
- 5 Show respect and pride in our school district buildings and equipment through care and appropriate use of school district property.
- 6 Respect the non-smoking environment of our schools and school district facilities.

At the bottom of the poster, there is a photograph of four students (two boys and two girls) standing together. Below the photo, there is a line: 'Our expectations for how we learn and work together shall apply to everyone in our schools and at school functions.' At the very bottom, there is a small line: 'The complete code of conduct is available online at: sdsd.k12.wy.us/handbook/' and the logo for 'RICHMOND' with the text '1 CODES DISTRICT 99-18'.

Gilmore's Return-It Account

Gilmore has a "Return It" account at the Blundell Return It Location to help raise money to subsidize our Grade 6 trip to camp this year. The Phone number associated with the account is 604-668-6268. Please use clear bags with no pull strings when returning containers. Please don't crush / flatten containers. Please only put a max of 12 glass bottles in each bag. Please remove garbage from bags before returning. Thank you for your support!
