Dear Griffin Families,

Thank you to the Student and Staff for a terrific week! It was great to see parents meeting up for Coffee on the playground before school on Wednesday and then many of you joining in for the PAC Meeting on Thursday Night.

The week ahead includes a fun community building evening on Thursday. Please join the PAC and School Staff for our Annual Meet the Teacher Evening. There will be pizza available to through the parent group, an hour long Open House for parents to meet teachers and learn about details for each classroom and then we finish the evening with a PAC Sponsored Magic Show in the Gym. All family members are welcome!!

As we continue to settle into the school year there will be many reminders for students at school and parents as well. One reminder that we need to give parents is for the Parking and Drop-off at school. Essentially the front area of the school is not designed for a high volume of vehicles to be coming and going. We must ask parents to use the neighbourhood streets or the parking lot on Kelmore Road. There is no parking or student drop-off before or after school time in the school parking lot. Thank you for your understanding and support in helping get your child(ren) and everyone else to school safely! We will have staff out to help with messaging and guiding traffic as well as some new signage coming, please be respectful and work together!

Please consider sending your children with "Twoonies for Terry" (\$2) in the build up to our annual Terry Fox Run on Friday afternoon. We will make a final total and donation to Cancer Research on behalf of the school, classroom teachers will be messaging more about this through the week.

I imagine everyone is ready for a weekend after our first full 5-day week, enjoy!

Be safe, be active and get outside!

Go Griffins,

Mr. Ferguson, Principal

Your PAC needs Volunteers

The Gilmore PAC is urgently
needing members for the
2025 / 2026 School Year.

We are needing support in the following roles

Secretary Events Fundraising
Hot Lunch General Members

Without members the PAC cannot operate and the
school will lose out on needed funds from grants
and fundraising. Activities and events may also be
cancelled.
