Dear Griffin Families,

Happy Thanksgiving! I hope that everyone enjoys the extra day with family and friends this weekend. There is lots of research to support the importance to our relationships and even our physical and mental health to practice gratitude daily. I am grateful for the privilege of working with all of the students and staff at our school. I am particularly grateful to be able to support skill building in resolving conflicts and becoming better humans with each other. I acknowledge that this takes the trust of families to let the school do this work and I thank you for that.

Please make a special note of Individual Photo Day on Thursday this week. We typically plan for the youngest students to get their photos done early as they may have a difficult time staying picture perfect in their clothes! :-)

On Thursday we will also be participating in the “Great Shake Out” which is an annual earthquake practice that takes place province-wide at schools, businesses and in homes. You can find out more about the event and resources online at <https://www.shakeoutbc.ca>.

I have included a few photos of the lost and found collection below, please take a look and stop by before or afterschool if you can. We anticipate completing the donation of left over belongings on Friday, Oct 24th.

Have a fantastic weekend!

Be safe, be active and get outside!

Go Griffins,

Mr. Ferguson, Principal

LOST and FOUND Photos!
